Education

JIS College of Engineering, Kalyani, West Bengal

Bachelor of Technology in Computer Science and Engineering

2023 – 2027

CGPA: 8.62

Kanksa High School, West Bengal

Higher Secondary (Class XII)

2020 – 2022

Percentage: 93%

Ramkrishna Ashram Vidyapith, West Bengal

Secondary (Class X)

2010 – 2020

Percentage: 89%

Relevant Coursework: Operating Systems, Computer Networks, Database Management Systems, Software Engineering, Artificial Intelligence & Machine Learning, Cloud Computing

Technical Skills

Programming Languages: Java, Python, C, C++, JavaScript, TypeScript, HTML, CSS

Frameworks & Libraries: React.js, Next.js, Node.js, Express.js, Tailwind CSS

Databases: MongoDB, MySQL

Tools & Platforms: Git, GitHub, VS Code, Arduino IDE

Operating Systems: Windows, Ubuntu (Linux)

Languages Known: English, Hindi, Bengali

Projects

A-Musicals – Music and Entertainment Platform

React.js, JavaScript, CSS

- Developed a responsive music web platform (amusicals.in) with modern UI/UX and cross-device compatibility.

Glow – Makeup and Beauty Website

React.js, Tailwind CSS, JavaScript

- Built a beauty e-commerce-style website with reusable components and smooth navigation.

Aahar Setu – Digital Medicine Passport System

Next.js, TypeScript, Tailwind CSS, MongoDB

- Engineered a QR-based livestock medicine tracking system with automated alerts for food safety compliance.

Line Following Robot

Arduino Nano, C/C++, IR Sensors

- Developed a PID-based autonomous line-following robot with accurate path detection and stable navigation.

Certifications

- Programming in Java** – NPTEL, IIT Kharagpur (2025) – *Elite Gold Medal*
- Cloud Computing** – NPTEL, IIT Kharagpur (2025) – *Elite Silver Medal*
- MERN Stack Training** – Ardent Computech (2026)
- Cyber Security Training** – Ardent Computech (2025)

Achievements

- Elite Gold Medal, Top 5%** – NPTEL Programming in Java, IIT Kharagpur (2025): Nationally recognized top-performer award.
